

Web Site Photo Permission Form 2008-2009

Speed Skate PEI maintains a website at <http://www.isn.net/speedskating>. The intent of the website is to provide information to skaters and their families about the sport of speed skating and about local events. The site also features a photos page, and in the past we have included pictures of meets, practices, awards ceremonies, promotions, and other events.

It is the policy of Speed Skate PEI **NOT** to include the name, address, or any other identifying information of any skater or official under the age of 19, and **NOT** to publish the names of those 19 or older without their permission. We wish to inform skaters and their parents/guardians, however, that we have no means of controlling possible copying of these photographs once they are published. The photos are visible to anyone who happens our way on the world wide web, not just to local skaters.

We believe the website to be a useful informational and motivational tool, but we also wish to respect your wishes regarding possible inclusion of your/your child's picture. To that end, **please circle your preference in the choices below, sign and date this form, and return it to us at registration.**
